# AGILA CONSULTING S.À R.L. – MAYKER

## DESCRIPTION

Mayker is a digital manufacturing and Industrial IoT consultancy helping industrial companies modernize their operations. We specialize in IT/OT integration (connecting factory floor systems to business applications), application development for manufacturing (replacing legacy tools and spreadsheets), Unified Namespace architectures for real-time data, and energy monitoring solutions. Our clients include companies in aviation, building materials, automotive and food & beverage. We operate in Luxembourg with delivery capabilities across the Benelux through our 65+ expert team.
