ACSONE S.A., SUCCURSALE LUXEMBOURGEOISE

DESCRIPTION

Acsone is an expert in implementing IT solutions. For one thing, it has been a key partner of Odoo for 14 years. In this role, it helps its clients configure Odoo as an integrated management system (ERP) and adapt it to their specific needs. Beyond its Odoo expertise, Acsone also offers services for the development of custom IT solutions and the integration between the various solutions that make up its clients' IT ecosystem. Acsone's expertise in IT project management and the flawless quality of its deliverables have built its reputation in the Belgian, Luxembourg, and French markets. Acsone is part of the Trustteam group, which operates in the Grand Duchy of Luxembourg, Belgium, France, and the Netherlands. The group offers all the IT services required by organizations, whether services related to IT infrastructure, information management, security, or even the implementation of IT applications meeting the business needs of its clients.
