CARSHINE S.A.

DESCRIPTION

Carshine Luxembourg specializes in the operational and administrative management of vehicle fleets, serving rental companies and companies with in-house fleets. A leader in Luxembourg in the field of end-of-contract inspections, Carshine also handles intermediate inspections, ensuring rigorous monitoring throughout the vehicle's lifecycle. The company handles the entire process, from the vehicle's entry into Luxembourg to its end-of-life remarketing. In addition, Carshine has a car detailing center, offering high-end services to both individuals and professionals to enhance and maintain their vehicle fleets.
