## **NET SOLUTIONS S.A.**

### **DESCRIPTION**

Net Solutions is a Luxembourg company specialising in IT and cybersecurity services and consultancy. It offers its customers and partners a service platform for secure data exchange and e-procurement, including electronic invoicing and electronic ordering, using standard formats such as EDIFACT or any other exchange format standardised with various partners (e.g. SAP). Net Solutions is also a PEPPOL access point for e-invoicing, enabling companies to comply with European regulations (Directive 2014/55/EU) and its transposition into national law, particularly for B2B and B2G e-invoicing. Net Solutions relies on a team of certified experts in IT internal audit, IT internal control and cybersecurity to extend its activities. In particular, it offers consultancy and support services in the fields of IT and cybersecurity, especially for companies needing to comply with regulations such as NIS2.
