ESSEMBL S.A.

DESCRIPTION

Essembl is revolutionizing fashion with an AI-powered personal stylist platform that boasts over 600,000 users within just six months of launch. We've generated 40 million organic views through viral content without spending a cent on marketing, proving the demand for smarter, more personalized fashion advice. With features like outfit suggestions, critiques, and AI-driven shopping recommendations, our ambition is to redefine how people engage with their wardrobes. And this is just the beginning— next up are Virtual Try-On and direct shopping integrations to transform Essembl into the go-to destination for effortless style.
