GMK S.À R.L.

DESCRIPTION

GMK S.à r.l. supports entrepreneurs, executives, and shareholders in their strategic, organizational, and governance decisions. The firm focuses on high-level consulting in business structuring, organizational transformation, financial management, governance, and supporting complex situations (growth, succession, reorganization, and challenging environments). GMK acts as an independent sparring partner to management bodies and shareholders, employing a pragmatic, decision-oriented, and implementation-driven approach, particularly with industrial and service companies that are highly operational.
