GULLIVER LUXEMBOURG S.À R.L.

DESCRIPTION

Gulliver is a technology company with 25 years of experience in mobile solutions and advanced technologies such as AI, IoT, and cloud computing. We design robust and flexible platforms and customized solutions that enable our clients to innovate and grow. Initially specializing in application development, Gulliver has become a true partner in digital transformation, now offering solutions for logistics, human resources, and sales. We support more than 350 large companies and 2,000 SMEs worldwide. With offices in Italy and Luxembourg, Gulliver combines international reach, a collaborative spirit, agility, and a commitment to talent development to help businesses optimize their operations and strengthen their customer relationships.
