PAUL WURTH S.A.

DESCRIPTION

Design and supply of equipment and plant facilities for the ironmaking industry. Paul Wurth is an established technology provider and supplier of complete blast furnace and coke oven plants. Agglomeration plants, environmental protection technologies for the iron and steel industry as well as waste treatment and recycling facilities complete Paul Wurth?s product portfolio focussed on the liquid phase of steelmaking. Paul Wurth also offers in Luxembourg tailor-made services, in particular integral planning and multidisciplinary engineering for town planning, civil construction and infrastructure projects.
