GUIDE TO GOOD PRACTICE

In order to be able to support its member companies in the manufacturing industry sector, FEDIL, together with the STI (Service de Santé au Travail de l'Industrie), has drawn up a [guide to good practice](#) for companies in the manufacturing sector continuing or restarting their activities.

This [basic document](#) will be supplemented and regularly updated by specific notes or sheets/posters. It will also be modified and adapted according to the new decisions of the public authorities.
