LUXEMBOURG AI EXCELLENCE AWARDS 2025

SUMMARY

Call for applications: Celebrate AI Innovation with the “Luxembourg AI Excellence Awards”

CALL FOR APPLICATIONS: CELEBRATE AI INNOVATION WITH THE “LUXEMBOURG AI EXCELLENCE AWARDS”

FEDIL, in partnership with Luxinnovation and with the support of the Luxembourg Chamber of Commerce, is excited to announce the launch of the **“Luxembourg AI Excellence Awards”** competition, designed to celebrate excellence and showcase groundbreaking projects, advancements and innovative applications of Artificial Intelligence.

In today’s rapidly evolving technological landscape, AI is driving transformative change across industries and societies.

This competition recognizes achievements in AI research, product and solution innovation, business applications and society impact. Whether you are an ambitious startup or an established player, **this is your chance to showcase your contributions to the dynamic field of AI, gain recognition and earn visibility in the AI ecosystem.**

Why Participate?

- **Gain Recognition**: Highlight your achievements and gain visibility within the AI community and beyond.
- **Showcase Innovation:** Demonstrate the impact of your innovative AI products, solutions and technologies.
- **Network with Peers:** Connect with fellow innovators, experts, and potential collaborators.
- **Boost Your Credibility:** Winning an award provides valuable validation and enhances your reputation.

How to Apply:

The competition rules and application form can be viewed and downloaded from the designated section at the bottom of this page.

The submitted projects must stand out for their innovative and original nature while also demonstrating relevance to the Luxembourgish economy.

Important Dates:

- Applications deadline : **Friday 2 May 2025**
- Pitches before the jury : **Monday 2 June 2025** (The organizers will inform you if your application is pre-selected to be presented to the jury or not.)
- Awards Ceremony : **Tuesday 17 June 2025**, at Nexus Luxembourg Platform 2025

We encourage all AI innovators and organizations to participate and contribute to the celebration of excellence in Artificial Intelligence.

Should you need guidance or support, please contact celine.tarraube@fedil.lu or fateh.amroune@luxinnovation.lu.

We look forward to receiving your submissions.
